Authorized Method: Accept voluntarily provided information by governmental or private entities.

Description: On 12-15-22 at approximately 1230 hours, TFO M D Smith and TFO G Robertson, both Task Force Officers with FBI Houston, arrived at 4619 Pinebrook Ln Houston TX to find Gaherty walking across the street. TFO Smith, with body camera recording, exited his vehicle and noticed Gaherty walking to 4602 Pinebrook Ln right across the street from his home. Gaherty later advised that his neighbor, Vince Douglas, allowed him to wash clothes at his house since Gaherty's plumbing was messed up. Gaherty stated his number is 713 [REDACTED].

TFO's identified themselves and verified that he was in fact Brian Gaherty. Gaherty gave a phone number of 713 [REDACTED] two times during the interview and stated that he never had a phone number with area code 346. Gaherty denied ever making any threats to anyone and danced around the subject stating that he gets calls from all kinds of numbers but he denied ever threatening any one. When provided a few details of the threat against Congresswoman Maxine Waters, Gaherty denied making the threat and deflected to another subject. During the interview, Gaherty did admit that he was in possession of two guns one of which one of which he purchased himself and the other gun that he got from his brother in-law which is a revolver. TFO's made note that Gaherty had a blue Toyota Tacoma, that was bearing Texas license plate #FMG-7922, parked in the garage of his residence.

Gaherty stated that he was diagnosed with PTSD due to being shot during a Robbery in his front yard. When asked to see Gaherty's phone, he deflected and advised that it was dead. He did show the TFO's a bag of flip phones in various conditions, acting as though they did not work but did provide two receipts of walmart flip phones made by Alcatel (My Flip 2) model number noted as 061696038408 purchased both from the Walmart located at 11210 W Airport Blvd. On 6-3-22 the serial number on that phone was # 840016023003090648, on 7-1-22 # 840016023003347899.
